NINE SENIORS BOOTED OUT CORPS AT HEARING

Hazing, traditional brutal right of upper classmen at Texas A&M College for generations, had brought dismissal to nine members of the Senior Class and severe punishment for 12 others in the opening phases of a trial now being conducted by a military panel.

The row began weeks ago when President Gib Gilchrist moved to stop the exodus of freshmen from the college who could no longer withstand the humiliations of hazing from upper classmen. Since that time the booted and spurred corps have been boiling mad and had asked for the dismissal of the President. The Board of Regents sustained President Gilchrist and now a military hearing has brought severe punishment to members of the corps. In all 141 are facing charges.

Freshmen for years at A&M have been slightly less than human beings. In the better and freer moments of their campus life they have been permitted to shine the boots of upper classmen and lie in hospitals from severe beatings administered by tyrannical overlords.

Six of the first dozen seniors to face a military board in charges of disobedience and insubordination were discharged from the cadet corps, a spokesman for the college announced.

Four of five others were reduced in rank and not one of the dozen escaped punishment. In all 141 seniors, not all of them cadet officers, have been ordered to face the military board which Commandant G. S. Me-were told they have the right of appeal to a faculty panel.

Names of the men punished were not released immediately.

The spokesmen said some high ranking cadet officers had been reduced to the rank of senior private.

The six discharged from the cadet corps will not get second lieutenant reserve officer commissions on graduation as is usually the case.

The board told several of the other six that they would recommend that they not receive the second lieutenant commissions on graduation.

Others were placed on probation—which means they must live up to "obligations to the government" or not receive commissions on graduation.

A number of the boys were given demerits and the majority of them were ordered campused following the Easter holidays until the end of the semester. This means that after Easter they will not be allowed to leave the campus.

In all, 141 boys are to stand trial before the military board, presided over by Commandant Meloy.

The hearings began at 1:30 p. m. today and by 5 p. m. punishments had been assessed the 12 cadets.

The 141 cadet corpsmen, not all of them officers, were ordered to face the military trials on charges of disobedience of orders and insubordination called "not a court martial."

The punishments inflicted were effective immediately, but the students nation. Earlier, the Texas legislature voted a joint house-senate probe of conditions at the schools.

The six boys discharged from the cadet corps were ordered to move their belongings immediately from the military dormitories to non-military dormitories on another site of the campus.

MRS. ADDIE BUTLER IS BURIED AT DUBLIN

Mrs. Addie Butler of Dublin died suddenly in her home there on March 17.

Mrs. Butler was formerly of Sharpe and was the wife of Jim Butler and the daughter of the late William McQuary. She was born in the Lilac Community in 1882.

In 1906 Mrs. Butler was married to Jim Butler and in 1926 they moved to Dublin. Surviving are her husband, three children and several grand children. The children are Hubert and Quinn Butler of Fort Worth and Mrs. Lloyd Whitfield of Dublin and one brother, J. R. McQuary of Lilac.

Funeral services were held at Dublin with interment in the family cemetery there.

E. W. Pratt of Gause was in Cameron last week.

TELEPHONE COMPANY IS SUSTAINED AT ODESSA

AUSTIN, March 31 — The State Industrial Commission ruled today that Mrs. Elizabeth Allen should not be removed or dismissed by the Southwestern Bell Telephone company as evening chief operator at Odessa.

Mrs. Allen was the storm center of the dispute between the Southwestern Telephone Workers union and the company that led to the stoppage at Odessa which spread widely over the state.

"Testimony regarding the charge that she was harsh and discourteous when supervising and correcting employees was both pro and con, but the evidence submitted on those issues does not justify this board in asking for the removal of Mrs. Allen as evening chief operator," the commission said in its report to Gov. Beauford H. Jester and the legislature.

Both the union and the company had agreed to abide by the findings of the commission in its inquiry into the dispute.

"In reaching the conclusion that Mrs. Allen should not be removed or dismissed, it is the opinion of this commission that this further thought should be included in this report:

"There is insufficient evidence to show that the Southwestern Bell Telephone company made any serious effort to investigate the charges brought by Odessa local 3063. It is the further thought of this commission that Odessa local 3063 brought the charges in good faith and that in their opinion said charges should have been investigated by management."

ATHLETIC FIELD TITLE IS ATTACKED IN SUIT

Title to Lawless Green Athletic Field is being attacked in a suit filed in District Court here by John McLerran and Hubert Shuffield.

The suit involves a claim originating under a maze of title changes in the past. M. G. Cox, attorney, is representing the appellants.

Roy Baskin, City Attorney and W. C. Wallace, attorney for the school Board are to join hands in resisting the suit.

The field was given to the city by A. N. Green as a memorial to their son, Lawless Green and dedicated to the school for an athletic field. Only a small portion of the land is involved in the suit.

At the time the gift was made it was turned over to three trustees: John Henderson, Claude Triggs and Jack Adams.

Title to the field is vested with the trustees.

The suit involves a claim to a certain portion of the acreage alleged to belong to certain heirs of a tract out of which the original purchase of the property was made.

Easter Services On Friday To Attract Many To Church

"The Seven Sacred Sayings of the Cross" will be the theme of the traditional Easter services to be held Friday in the First Methodist Church.

This service is sponsored by the Protestant ministers of the city and is an annual affair. This year in an effort to attract more people and unify the program the entire service will last only one hour beginning at one o'clock and closing at two o'clock.

In addition to local pastors, other ministers to be heard will be Rev. "Hap" Ellis, youthful Evangelist now leading the local Christian Church in a revival, Rev. T. M. Smith, pastor of the Rockdale Methodist Church, and Rev. Henry Bailey Presbyterian minister of Maysfield.

It was indicated that many local business houses would keep the custom of closing during these religious services. With all Protestant churches cooperating, it was reported that plans are being made to accommodate large crowds for this hour of spiritual meditation.

John Sapp of Corsicana and his mother, Mrs. Mattie Sapp, of Rosebud, have been recent guests of Mrs. Henry Sapp. Both John and his mother formerly lived in Cameron for a number of years.

ANDREWS TRIAL CALLED

MURDER CASE IS SET FOR SECOND TRIAL HERE

George Andrews, charged by indictment with murder in connection with the fatal shooting of his cousin, Earnest Andrews in Rockdale on October 5, 1946, will go on trial Monday for the second time.

The case has been set for trial Monday, April 7. Whether trial will proceed will depend on a number of factors. The jury in the first trial was discharged on Monday, March 3, after it had failed to agree and stood 6 for conviction and 6 for acquittal.

Judge John Watson discharged the jury and then acted immediately on a motion by County Attorney Bill Morrison to re-set the trial for Monday, April 7.

More than a week was consumed in obtaining a jury to try Andrews. Due to the wide publicity given the case and the exhaustive trial in late February it was agreed that more difficulties might be encountered in obtaining a jury.

Whether counsel for defense, Camp & Camp will ask for a change of venue of course is not known. In view of the verdict it was possible they will not ask for the case to be moved.

GOVERNOR IN ROCKDALE FOR BIRTHDAY PARTY

ROCKDALE, March 26. — Gov. Beauford Jester outlined American Legion's contributions to "the American way of living" here tonight at the Legion banquet celebrating the organization's 28th birthday and the local chapter's—Caryle Post 358—silver anniversary.

The governor, who was introduced by State Sen. Kyle Vick of Waco, declared the "American Legion is set up to combat autocracy of the masses and classes and to perfect and establish 100 per cent Americanism."

"In the time of peace, it must prepare to prevent war."

Jimmy Jefferies of Dallas, master of ceremonies, quoted FBI Chief J. Edgar Hoover, saying, "The American Legion is our greatest bulwark against any 'isms.'"

Among attending state dignitaries were Sen. Jimmy Phillips of Angleton, Sen. A. B. Crawford of Grandbury and Senator Vick.

W. W. Wendland of Temple, Fourth division commander of the Texas American Legion, was among Legion officials appearing at the banquet.

P. J. Faulkner of Rockdale, blind pianist, played musical selections. Food was served by Boy Scouts and high school home economics students.

Alex McLeod is the local post commander.

MANY EXPECTED HERE FOR TRAILS SUNDAY

Milam county's famous Dog Wood is blooming.

By Sunday, April 6 many visitors are expected here to make the pilgrimage, although no concerted effort has been made locally to officially tour the trails.

Mr. Cox has been an enthusiastic with his family went to the Dog Wood country Sunday afternoon and found some of the trees already in bloom. "By next week end they will be gorgeous," said Mr. Cox.

Mr. Cox has been a nenthusiastic advocate of the Dog Wood Trail and is the originator of the idea here. He says that the dog wood here is far superior to that of East Texas.

A few progressive souls here have been hoping that the Chamber of Commerce might undertake to sponsor the Dog Wood Trails and to bring to the attention of the people at large the beauties of the woods to the east of the city.

PRESBYTERIAN AUXILIARY IS MEETING LEAGUE CLUB SOON?

DELEGATES FROM CHURCHES ARE HERE

The Forty-third Annual Session of the Woman's Auxiliary of the Central Texas Presbytery began at First Presbyterian Church at 10 a. m. Wednesday with an executive board meeting.

There are about 150 delegates here for the session and some 40 churches are represented, according to E. O. Harrell, minister at the church.

The Auxiliary will be in session through April 3. The meeting got under way at 1:30 when Mrs. Sam Easley, the President, called the delegates to order. Mrs. E. O. Harrell gave the welcome address.

Mrs. J. D. Kolbe of Robinson responded to the address of welcome.

Speakers during the afternoon were Mrs. Will Miller of Corsicana and Mrs. Harry Womack of Clifton. Mrs. J. Percy Terrell, Synodical President closed the afternoon session with an address on "We Must Move Forward."

The evening session was to begin at 8 and the delegates were to hear an address by Dr. J. R. Woods from China. He will speak on "What the Birthday Offering Means to the Women of China." The communion service will be conducted by Rev. E. O. Harrell.

Thursday morning Dr. David Stitt, of Austin, president of the Theological Seminary will deliver the address and at 11 a. m. Dr. W. R. Hall of Marlin, Superintendent of Evangelism, will speak.

Rev. H. B. Streater of Marlin, chairman for religious education, will make his annual report.

At 2:30 Rev. E. O. Harrell will install officers for the coming year.

Spring Weather Due For This Area; Some Cool Days Ahead

Spring weather is due for this area now and for some days to come, according to the forecasts early Monday.

Some cool days are ahead but winter seemed definitely on the way out. For the next 48 hours the weather will be cool and some cloudiness will obscure the sun but by the mid week the days should be getting hot with temperatures in the 80's.

Vegetation, long delayed, was due to get a break. Weeds are growing and spring cleanup will be more necessary than ever if mosquitoes are to be controlled this year, since excessive rains have fallen in this area.

Dr. W. R. Hall Now Holding Services At Maysfield Presbyterian

Dr. W. R. Hall of Marlin is holding a three day pre-Easter service at the Presbyterian Church in Maysfield.

The services will begin here Wednesday night and continue each night through the week with Dr. Hall in the pulpit.

Rev. Henry M. Bailey, minister at the church, was extending a cordial invitation to the people of this area to attend these services.

The current Easter program at the church will end Sunday with Rev. Lennox, Methodist pastor there, in the pulpit at Presbyterian church. Dr. Hall has delivered a number of sermons in Cameron and many here plan to attend some of the services at Maysfield.

Mrs. W. H. Stafford who has been a patient in the Newton Memorial Hospital for the past several weeks, is now much improved and has been taken to her home here.

Herald Want Ads Pay Dividends.

GOING TO BE COLDER

The weather will be cooler during the next 24 hours and then summer may come with a bang. A mild cold front was playing around in Kansas and the temperature was due to be around 50 degrees Wednesday night.

Some cloudiness was due. The wind was out of the north at 15 miles an hour in Fort Worth and Dallas area at 6 a. m. Wednesday.

Del Rio reported 95 degree weather Tuesday and at New Braunfels it was 90 degrees. It was 84 degrees in Cameron, and at noon Wednesday it was 84 degrees here.

BAPTIST WILL OPEN AUDITORIUM SUNDAY

Next Sunday promises to be a red letter day in the history of First Baptist Church.

For this congregation it will mean more than just the traditional Easter Day services. For the day has been designated as the day for the official opening of the Church's newly redecorated and remodeled Church auditorium.

"The people are looking forward to moving back again with great anticipation" states the pastor Rev. L. L. Morris. Services have been held in the Educational building of the church with part of the audience hearing the service by means of the church public address system during the three months of remodeling.

For this occasion, Rev. Morris says the Sunday School is setting 400 as attendance goal. To add to the interest of the occasion the pastor will baptize several candidates in their beautiful new baptistry Sunday night.

As if the traditional Easter services plus new buildings and ceremonies were not enough the pastor further states that on this date the church will begin an eight day revival meeting to properly dedicate their new auditorium. Rev. David F. Boston, popular young Southern Baptist Evangelist from Houston will do the preaching in the local revival and Tommie Godfrey Evangelistic singer from Fort Worth will direct the choir.

Services will be held twice daily at 10:00 a. m. and 8:00 p. m. People of all religious faiths have been extended an invitation to the services.

Terracing and Tanks Prior Approvals Are Issued By Government

Prior approvals on terracing, tanks and also on superphosphates have been issued by the Government in Cameron to farmers of this locality. Here is the list issued at the USDA offices here:

Frank Tomek, Route 1 Cameron received prior approval for 7000 feet of terraces and A. K. Campbell of Route 2 Thorndale an approval for 3800 feet.

Approvals for 20 per cent superphosphates to be applied to permanent pastures were made to the following: Edward Brown, Rockdale, 4000 pounds; J. Wesley Malone, Milano, 2000 pounds and Joe Haddox, Milano 2000 pounds.

O. H. Gross of Route 3, Rockdale, is planning construction of an earthen dam and an approval of 600 cubic yards has been granted. Robert Kalkbrenner of Route 1 Burlington received an approval for 500 cubic yard tank.

Miss Reba Young, teacher in Houston, will arrive Thursday to spend Easter there with her mother, Mrs. Dallis Young and her sisters, Miss Dallis Young and Mrs. Mary Young Green.

BASEBALL CLUB WILL BE ORGANIZED HERE

Cameron, at one time center for one of the best professional baseball clubs in Texas, may again be in the spotlight as it was in the days of Ted Lyons, Joe Moore and Homer Peel.

Right now an effort is being made to organize a baseball club. Much progress has been made, according to John Henry Wilson who has agreed to accept the publicity direction.

According to Wilson 15 uniforms have been donated by Cameron business firms. These uniforms are grey with maroon trimmings. No name has been agreed upon but in the old days the Comets played a high brand of baseball and sent men to the Texas and major leagues.

Prospective players of the club are working out each afternoon from 5:30 to 6:30 at Lawless Green Field and all who wish to try out for the club are asked to be at the field.

If the club is organized and gets going it will play in Class C. competition.

The American Legion has donated \$100 to buy bats and balls for the new club.

THREE ALDERMEN ARE ELECTED ON TUESDAY

Three members of the Board of Aldermen for the city of Cameron were elected on Tuesday.

They are Bob Terry, August Horstmann and Johnnie Andres. The first two named are succeeding themselves in the office they have held for many years. Mr. Andres will be serving his first term.

There were 355 votes cast, a light poll in view of the some 1300 votes eligible in the city.

The results of the election were as follows:

Bob Terry	277
August Horstmann	267
Johnnie Andres	264
Joe Bass	126

Mr. Bass was defeated, being low man in the field. Under the terms of the count in a general election the high man wins.

GOVERNMENT IS BUYING EGGS TO SUPPORT PRICE

The U. S. Department of Agriculture will buy about a half million pounds of frozen eggs in five southwest states during March. These purchases will be made to keep the price of eggs to farmers around 33 cents per dozen the 90 per cent of parity level required by law.

Present contracts call for delivery in March of 4,914,540 pounds of frozen eggs to the Government, according to the southwest area Dairy and Poultry Office of the Production and Marketing Administration. Well over two million pounds of these frozen eggs will come from Texas.

These totals may go up or down depending on the price of eggs. If eggs go above the support level, it will not be necessary for USDA to continue buying eggs in that locality. If eggs should decline, the government will increase its buying to keep prices at the required level.

Mrs. Elizabeth Rogers of Marlin accompanied by her mother, Mrs. Louise Heintz, attended the funeral services of Mrs. Heintz's sister-in-law, Mrs. Frank Talafuse, at Wharton on Monday.

TELEPHONE CO. ASKS UNION TO TALK IT OVER

The Southwestern Bell Telephone Company today proposed to arbitrate the issue of basic wage demands of the Southwestern Telephone Worker's Union in order to avert the threatened Telephone strike.

In a letter to D. L. McCowen, President of the Union, G. C. Gephart, Vice President of the Company said, "having been unable in more than 4 weeks of negotiations with you and other representatives of the Southwestern Telephone Workers' Union to reach agreement on the issue of basic wages, the Company proposes arbitration of that issue in accordance with the attached arbitration agreement."

"We believe this proposal offers the means of an equitable and final disposition of the basic wage issue. It is made with that belief and in the hope that it will avert any interruption of telephone service of the Company's almost 2 million subscribers."

The arbitration agreement proposed by the Company follows:

The undersigned Company and Union, having been unable to reach an agreement upon the issues stated below in section 2, hereof, hereby agree to submit such issue to arbitration as follows:

I. The issue shall be decided by a Board of Arbitration consisting of five impartial arbitrators, assisted by a representative designated by the Company, and a representative designated by the Union who shall attend all hearings and participate in all conferences of the Board, but without vote. The Governor of each of the following states to wit, Arkansas, Missouri, Kansas, Oklahoma and Texas, will designate within nine days one such arbitrator.

II. The issues to be arbitrated are the following:

(A) On the basis of comparisons between the Company's wage rates and wages paid by other employers in communities where the Company operates, for work requiring similar skill and equivalent training, should the basic rates of wages paid by the Company to employees represented by the Union, be increased, and, if so, how much?

(B) If any increased wage rates is awarded:

(1) How shall the existing wage schedules of the Company to effectuate the increase in respect to starting rates, top rates, and intermediate steps of each schedule?

(2) At what date shall the increase take effect?

(3) For what period shall the award be effective?

III. The parties agree that from this date until the end of the period for which the award of the arbitrators is to be effective there shall be no strike, lock-out, work stoppage, or interruption of service directly or indirectly on account of the issues herein agreed to be arbitrated, and that all strike notices shall be withdrawn.

IV. The arbitration and award shall be subject in all respects to the laws of the states involved. Unless otherwise hereafter agreed by the parties, the arbitrators shall commence their hearings not more than 15 days after all members of the Board have been appointed.

9617 Bales Cotton Ginned to March 1 From 1946 Crop

What should be the final report on ginnings for 1946 in Milam county, have reached The Herald from J. G. Thompson, special agent for the Department of Commerce.

Mr. Thompson reports that there were 9617 bales ginned from the crop of 1946 up to March 1 as compared to 17,730 bales ginned to the same date in 1945.

According to statistics available the 1946 crop is the lowest on record. The crop in 1925 was slightly over 10 thousand bales.

George Black who has been a surgery pateint in the Newton Memorial Hospital for more than a week is now sufficiently recovered to return to his home. Friends will be glad to know of his fine progress. Mr. Black is anxious to be back at his plantation at Hanover.

The young couple was presented with a beautiful and complete set of china for which they expressed their sincere thanks for the timely remembrance. Light refreshments were served.

Caroline Salac Weds Marvin Farek Here On February 18

Miss Caroline Salac, daughter of Mr. and Mrs. Frank J. Salac of Cameron became the bride of Marvin J. Farek, son of Mr. and Mrs. Joe Farek of Waco, Tuesday, February 18 at Saint Monica Church in Cameron.

The bride, given in marriage by her father wore a gown of white slipper satin. Her finger tip veil of illusion was held in place by a heart shaped crown of apple blossoms. She carried a bouquet of white carnations and French illusion.

Miss Rosalie Salac who served as maid of honor, and Mrs. Helen Morris and Miss Mildred Salac bridesmaids, all sisters of the bride wore identical dresses of pale blue lace chiffon. They carried Colonial bouquets of pink carnations.

George Morris of Mart served as best man, and Wilbert Morris and A. W. Zajicek, Jr. were groomsmen.

Following the ceremony a reception was held at the home of the bride's parents. Miss Rosalie Salac presided at the bride's book.

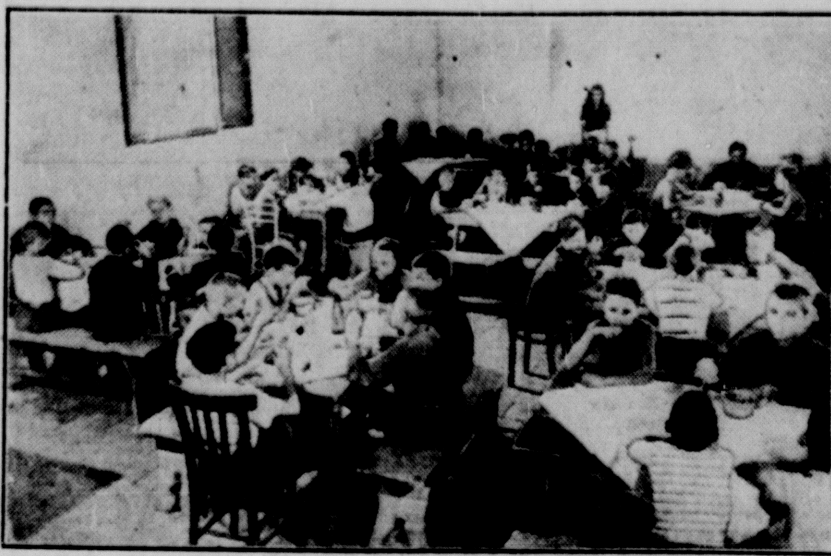

For the wedding trip the bride choose a dressmaker suit of brown and matching hat with spring flowers. She is a graduate of Cameron Yoe High School, and of Providence Hospital School of Nursing, where she has been employed for the past three years, as Supervisor of Nursing.

The groom is a graduate of Waco High School, and attended Business College. He is a Veteran of the last war, having served four years in the Army Air Corps, two of which he spent in the European Theatre of Operations.

They will reside at 108 Perry Avenue, Marlin, Texas.

FOOD FROM AMERICA.

HUNGRY boys being fed American food in one of the many shelters established by American Relief for Italy. Many of these are homeless, many are orphans or do not know where their parents are. Others come from homes where the last crust of bread has been eaten and there is small prospect of more food unless it is contributed. These boys would work if there was work to be had but they are unable to earn money when there are millions of unemployed.

Added to the nourishing food these shelters provide baths and

facilities for washing and mending clothes. The boys are provided with recreational facilities. They help in keeping the place clean and are proud to be allowed to wash dishes and do other "chores" to make it easier for the devoted volunteers who manage the shelters. Like Italian men and women these boys want work.

To provide food for these "war walls" American Relief for Italy is making an appeal to the generosity of the American people at this time.

MRS. ELLEN MOORE IS BURIED LITTLE RIVER

Mrs. Ellen Moore, 83, died Friday, March 28 at the home of her brother, T. P. Morris at Branchville.

Mrs. Moore had been ill only a short time. She was a native of Milam county, born June 23, 1863. She had lived in the Branchville community all of her life and was a member of the Branchville Baptist Church.

Surviving are one daughter, Miss Nellie Moore of Branchville and one brother, T. P. Morris of Branchville.

Funeral services for Mrs. Moore were held at the Little River Baptist Church Saturday, March 29, at 3 p. m. with interment in Little River Cemetery. Rev. L. R. Stephens of San Marcos, conducted the services, assisted by Rev. Frank Newton of Waco. The Green Funeral Home in Cameron directed arrangements.

Pall bearers were Roy Yates, Valter White, Bill Thweatt, Willis Looney, Voss Harlan and J. C. Judkins.

America Will Not Survive Attack By Russia Says Earle

WASHINGTON — Former diplomat George H. Earle told congress today "I don't believe there is better than an even chance that 10 per cent of us Americans will be alive five years from now."

"The reason for his pessimism," he said, is that Americans are so "charitable" that they won't use the atom bomb first.

Earle called Russia the "terrible menace."

are not advertising the particular pond or lake from which they took these fine black bass. The bass were taken with artificial bait and Jackson got the lions share of the catch. Here is a fisherman's achievement

He gave his testimony under oath to the house committee on Un-American activities at hearings on bills to outlaw the Communist party.

He recommended that America "immediately use the atomic bomb" against any nation that refuses to permit inspection of atomic plants. But he said "the American people wouldn't stand for it."

So, the one-time governor of Penn-

sylvania said, the United States should "try to hold the Russians" by perfecting and hiding "the most terrible weapons of destruction."

Then, he said, America should "let them know that the first atom bomb that explodes here, we will destroy every city in Russia."

Earle has been U. S. minister to Austria and to Bulgaria, a naval officer, and an undercover agent for the President in Turkey during the war.

He began:

"This is a day of exaggeration for the sake of emphasis, of over-statement for dramatic effect. What I am about to say now is not for dramatic purposes.

"I think the situation in the United States today is completely desperate, the reason being that the super a-bomb is here or nearly here and the country that uses it first is almost sure to win."

Screen Veterans Are
Teamed In Film To
Open Here Thursday

Wallace Beery and Edward Arnold are teamed for the first time on the screen in "The Mighty McGurk," opening Thursday at the Cameron Theatre, although both started their film careers more than thirty years ago at the Essanay Studio in Chicago and both have long been under contract to M-G-M.

Arnold plays a hardboiled role as the owner of a tough saloon who has blackmailed Beery, playing an ex-prizefighter, for nearly twenty years. He also plays the father of comely Dorothy Patrick, the picture's romantic interest.

Arnold joined Essanay in 1915 to succeed Francis X. Bushman as a star at the studio. He appeared in more than forty pictures. Beery was signed by Essanay in 1913, starring in a number of comedies in which he portrayed a Swedish housemaid.

In "The Mighty McGurk" Arnold joins an important cast of supporting players, including Dean Stockwell, Aline MacMahon and Cameron Mitchell.

CARD OF THANKS

I wish to express my deep thanks for the generosity of those who assisted me to partially recover the losses I sustained in the recent Houston Apartment House fire. I want each one who assisted me to know how much I appreciate their help. Under such circumstances do we recognize the value of good friends and neighbors.

Mrs. Dorothy Belle Mills Mitcham.

Roping Club Will
Organize Wednesday;
Meeting Is Called

The Cameron Roping Club, dissolved during the war, is to be reorganized.

A meeting has been called for Wednesday night, April 2 in the District Court room at the Court House, said Make McDermott, one of the original members of the club.

An effort was made to reorganize the club some time ago but only a few members and prospective members respond to the call. It is now decided that regardless of the number who appear at the meeting on Wednesday night the organization will be completed.

All who are interested are urged to attend. The Roping Club was one of the very pleasurable organizations in the city in other days and has an arena at Wilson-Ledbetter Park for roping. If you want to be a charter member of the club you should be on hand Wednesday night.

Evelyn Kuhn Will
Be Married April 8

Mr. and Mrs. Will Kuhn have announced the engagement and approaching marriage of their daughter, Evelyn, to Sylvester Holcek of Fort Worth.

The couple will be married Tuesday, April 8 at 2 p. m. in Burlington with a dance to follow at night at Flag Hall.

Richard Jistel made a business trip to Cameron recently.

Red Cross Drive Is
In Characteristic
Nose Dive in County

The current membership drive of the American Red Cross was in typical reverse in the county and lagging so badly that a special appeal is being made to get the thing going again.

Only a small percentage of the quota had been raised up to Thursday of this week, despite efforts of some of the leaders to rescue the drive from failure.

Workers and committee chairmen are urged to renew their efforts and all who wish to contribute and have not been contacted can redeem the county by voluntarily going to the banks or to Texas Power & Light Company where your subscriptions will be received with thanks.

Mr. and Mrs. H. E. Clewell of Waco were here for a few days visit with Mr. and Mrs. J. L. Slaughter and also visited Mr. and Mrs. R. F. Bellefeldt in Temple.

Here it is! Your beautiful ultra-modern new Gas range that gives you the best in cooking results with no old-time cooking cares.

No clock watching—complete oven dinners cooked automatically by a simple clock control.

No guesswork—automatic thermostat sets and keeps any oven temperature from 250° to 550°.

No "half-baked" cakes—oven is ventilated so that heat circulates evenly on every level.

No "stewed" steaks—a Gas broiler really broils... flame-seals rich red meat flavor.

No lingering after-heat—cooler top-of-stove cooking with the flame that's out the second you turn it off.

No waiting around—top burners instantly light to high heat.

No messy cleaning—burners won't clog from boilovers. Pan bottoms stay brighter.

And remember! The one sure way to get all these advantages of modern Gas cookery... is to look for this "CP" seal on any "make" Gas range before you buy!

PIONEER RESIDENT
SUCCUMBS FRIDAY

Moody H. Hayes, 68, for many years a resident of the city of Cam-eron, died around 3:30 p. m. Friday-March 28 in King Daughters Hospi-tal in Temple.

Mr. Hayes had been taken to the hospital for treatment several days prior to his death and had undergone surgery. His condition became criti-cal Wednesday. He had been ill for several years but his condition be-came more grave during the past two weeks preceding his death.

Mr. Hayes was a native of Ten-nessee, born in Greenville in October 1879. He came to Texas when a very young man with his parents and fam-ily and had been a resident of this county since. In 1909 he was married to Miss Zelma Clore and they had lived in Cameron since, rearing a family of four sons and two daugh-ters.

At the time of his death Mr. Hay-es was with the Community Public Service Company and prior to the sale of the utilities here some years ago was with the Cameron Water, Power & Light Company.

Surviving are his widow, Mrs. Zel-ma Hayes; four sons, L. G. Hayes, and R. T. Hayes of Crockett; R. R. Hayes and O. L. Hayes of Cameron; two daughters Mrs. Valera Phillips and Mrs. Lucille Dowda, both of Houston.

Mrs. Sallie Warren, a sister, sur-vives in Greenville, Tennessee. Ten

grand children also survive.

Funeral services were to be held at 4 p. m. Saturday, March 29 at the Full Gospel Tabernacle with Rev. R. E. Wright, pastor, officiating. Interment in Oak Hill Cemetery with the Green Funeral Home in Cameron directing arrangements.

Mr. Hayes had been a faithful member of the Gospel Church for a number of years and will be mourned by the large congregation as well as hosts of friends throughout the city.

Printing is a home industry.

Mrs. R. A. Zelisko of Buckholts is among the patients ill in Newton Memorial Hospital.

Amos Frank McGregory of Rt. 3 Cameron is a surgery patient in the Newton Memorial Hospital.

Mrs. George Zolt and son of Gal-veston, are visiting her mother, Mrs. A. J. Matocha, and expects to remain here for two weeks.

Ben Thweat is a patient in the Newton Memorial Hospital.

Texas Power & Light
Rural Electrification in Texas

The Texas Power & Light Company began its rural electrification program back in 1915. By 1921, we had brought electricity to 6,926 farm and rural families. This number has almost doubled every ten years since, as we consistently added more and more lines, reaching a greater number of farm families each year. Now, approximately 7,000 miles of TP&L rural lines alone serve more than 68,000 farm and rural customers.

More than thirty years of research, development and experience have shown our engineers the most economical way to extend these rural lines. As a result, we have been able to provide dependable, low-cost rural electric service to farms and rural homes throughout the 52-county area served.

The Company also supplies electric power at wholesale to 21 REA Distribution Cooperatives which in turn serve many thousands of additional rural and farm homes. The rate at which this Company supplies service to these Cooperatives is one of the lowest in the nation, and is lower than that of the Tennessee Valley Authority to Cooperatives in its area.

A continuous rural expansion program is being carried out in North, East and Central Texas by Texas Power & Light Company, and 1947 plans call for the construction of 1,000 miles of new rural lines to serve approximately 9,000 new customers living on farms and in rural communities.

GETS YEAR IN JAIL ON DRUNK DRIVING CHARGE

T. J. Reed of Rogers must spend a year in the Milam county jail for driving a car while drunk.

Reed has entered a plea of guilt and is now serving his sentence.

Charges were filed against Reed following a car crash on Highway 36 near Hoyte on the night of Saturday, March 15 when 8 persons were injured, three seriously.

Geron Shelton who was with Reed at the time of the accident paid a fine in Justice Brashear's court.

Record of the county criminal court does not disclose how the case was disposed of as Judge Tyson is ill. Sheriff Carl C. Black said that Reed is now serving his sentence.

So far as known this is the most severe sentence meted out in such cases and is a sign of a tightening up on such violations, a long overdue justice.

NOTE—Since the above was put into type it was learned that Reed had merely surrendered to the court and is in jail to await such action as may officially be made when court convenes.

TRIED AND TRUE!

Orange Rolls

Made with
AMERICAN BEAUTY Flour

Use my tried and true recipe for American Beauty Orange Rolls. Delicious! Virginia Roberts, American Beauty Home Baking Institute

The recipe is tested! The flour is tested! Yes, AMERICAN BEAUTY is constantly tested to make sure it will give you the finest biscuits, rolls, light bread, pies and cakes every time you bake with it.

Try AMERICAN BEAUTY with Virginia Roberts tested recipe for Orange Rolls. You'll get beautifully textured, tender rolls every bit as light and luscious as those pictured.

ORANGE ROLLS
6 1/2 cups American Beauty Flour (Recipe makes 36 rolls)
1 cup sugar
1 tablespoon salt
1/2 cup shortening
2 cups milk
2 tablespoons lukewarm water
2 cakes compressed yeast
Scald milk; pour over sugar, salt and shortening in mixing bowl. Stir well; allow to cool until lukewarm. Crumble yeast into lukewarm water; allow to stand 10 minutes. Add yeast to lukewarm milk. Add 3 1/2 cups sifted flour. Beat until all smooth. Gradually add remaining 3 cups flour; stir until flour is added. Brush top lightly with melted shortening. Cover and set in a warm place. Allow dough to rise until double in bulk (about 1 hour). Place dough on lightly floured bread board and shape into a round ball. Allow to stand 10 minutes. Prepare orange filling by blending 1/4 cup sugar, 1/4 cup melted shortening and grated rind of 1 orange. Roll 1/2 of dough into a rectangle 1/2 inch thick. (Balance of dough can be used for additional orange rolls or other favorite variations.) Spread filling on dough. Roll lengthwise jelly-roll fashion and seal edge by pinching dough together. Cut into 1-inch slices and place in oiled muffin pans. Cover; allow to rise until double in bulk. Bake 18-20 minutes in a moderate oven (375°).
